Dear Francesco,

On behalf of myself, Officers, and members of the Board of Directors let me offer my heartfelt congratulations on receiving the **2024 Kingdom Award** for your book, "Aerofilatelia Crociere Atlantiche Balbo". The Kingdom Award is to the best overall aerophilatelic catalog, book, monograph, or pamphlet published in the previous year.

The true value and strength of the Society is found in the scholarship of its members. We are all richer when philatelic knowledge expands. You continue to share your expertise through authorship and we appreciate it.

Sincerely,

David S. Ball
President
